*1 From size 35 there are four different LEUCHTIE models to choose from: The battery powered LEUCHTIE Plus and Premium as well as the rechargeable LEUCHTIE Pro Easy Charge and LEUCHTIE Premium Easy Charge.

*2 The LEUCHTIE size corresponds to the closely measured head circumference of the dog at the widest part, just in front of the ears.

*3 The LEUCHTIE Senior Edition was developed especially for visually handicapped / older / insecure dogs. With two LEDs directed to the front of the path, it can offer the dog increased safety in the dark.

*4 The colour green in a transparent tube (extra bright) provides approx. 120 h burn time per charge. The colours red and sunset orange approx. 50 h.
