Warranty and guarantee

In principle, a claim to the statutory warranty exists only in respect of the dealer from whom you purchased the product.

When purchasing from trends and more GmbH & Co. KG, we offer customers from the European Union an additional guarantee.

In the event of warranty or guarantee, we rectify material and manufacturing defects free of charge. Damages caused by non-observance of the user manual, normal wear and tear or improper use, such as bite damage, leaked batteries, etc. are not covered.

Repair service

Outside of warranty/ guarantee, our paid repair service is available to you at any time. Most repairs are covered by a flat rate (12,95 € incl. 19 % VAT**, including return shipping). In case of a very large amount of work, additional costs may be incurred (e. g. for leaked batteries, bite damage, etc.).

After reviewing the article, we will send you an offer about the costs. Your LEUCHTIE will be repaired immediately after receipt of payment and sent to you.

Return

Please check your LEUCHTIE carefully before sending it back to us by referring to the instructions www.leuchtie.com/manual and our FAQ www.leuchtie.com/faq.

If you are unable to correct the malfunction, send the LEUCHTIE (incl. battery compartment with batteries or rechargeable batteries and charging station) with the fully completed service form to the following address:
